

Curriculum vitae: Professor Peter Howley

Date of birth: 14/11/1980

Nationality: Irish

Employment - Current position

- Professor of Economics and Behavioral Science, Leeds University Business School, University of Leeds (2020 -)

Past positions

- Associate Professor Economics, Leeds University Business School, University of Leeds (2018 - 2020)
- Senior Lecturer in Economics, Environment Department, University of York (2015-2018)
- Lecturer in Economics, Environment Department, University of York, 2012-2015.
- Economist employed at the Rural Economy Research Centre, at Teagasc (semi-state advisory body in Ireland), 2007-2012.

Education

2008 PhD Economics and Environmental Policy, University College Dublin

2003 MA Economics, National University of Ireland Galway

2002 BA Economics and Law, National University of Ireland Galway

Awards

- Fellowship from the Faculty of Arts, National University of Ireland Galway (2002) (€10,000) - based on academic excellence
- Open postgraduate research scholarship from the Faculty of Engineering and Architecture, University College Dublin (2005) (€7,000) - based on academic excellence
- Urban Institute Research Scholarship (2003) €15,000
- Environmental Protection Agency Doctoral Scholarship (2004-2007) (€70,000)

Research Interests

Behavioural Economics, Economics of happiness, environmental and natural resource economics, agricultural economics, health and well-being, labour economics

Research Funding: *I have been involved in research grants totalling over £4 million. My own individual component as PI or Co-I comes to £825k.*

Waqas, M., Howley, P. and Yalonetzky, G. (£255,000) The role of the neighbourhood environment in moderating the well-being impact of Covid-19, 2020-2022 (Co-I)

Howley, P., Moro, M., Heron, T. and Delaney, L. (£188,000) Immigration and well-being. Nuffield foundation, 2017-2020 (PI)

Scarpa, R., Howley, P., Panzone, L. and Thankappan, S. (£29,000) Cost-effective supply chain for livestock in Ethiopia. N8 Strategic pump priming, 2017-2018 (Co-I)

Doherty, B., Ensor, J., Grieve, B., Halford, J., Heron, T., Howley, P., Petrie, H., Pickett, K. and West, C. (£3.4m), IKnow Food, BBSRC, 2016-2020 (Co-I)

Howley, P. and McClean, C. ESRC PhD Studentship co-financed with Environment Department, (£51,000), 2014-2017 (PI)

Doherty, B. et al. N8 Industry Innovation Forum (£27,000), 2015

Howley, P. Offaly Local Development Authority (€30,000), 2012

Howley, P., Buckley, C. and O Donoghue, C. (€88,000) Public attitudes towards water quality. Environmental Protection Agency, 2011-2012 (PI)

Howley, P., Buckley, C. and O Donoghue, C. (€86,000), The drivers of river water quality. Environmental Protection Agency, 2011-2012 (PI)

Selected Recent (within last 5 years) Journal Publications: *I have published 45 papers in total across the social sciences (32 as lead)*

Howley, P. and Ocean, N. (2020) Doing more with less: Leveraging social norms and status concerns in encouraging conservation farm practices. *Land Economics*, In press (3* ABS, ABDC A rated). Available at: <http://ssrn.com/abstract=3439994>.

Ocean, N. and Howley, P. (2020) Using choice framing to improve the design of agricultural subsidy schemes. *Land Economics*, conditional acceptance (ABS 3* rated, ABDC A rated). Available at: https://papers.ssrn.com/sol3/papers.cfm?abstract_id=3432955.

Howley, P. Moro, M. Waqas, M., Delaney, L. and Heron, T. (2020) It's not all about the economy stupid! Immigration and subjective well-being in England. *Work, Employment and Society*, 1-18 (ABS rated 4*, ABDC rated A).

Trujillo, J. and Howley, P. (2019) The effect of weather on crime in a 'Torrid' urban zone. *Environment and Behavior*, 1-22.

Ocean, N., Howley, P. and Ensor, J. (2019) Lettuce be happy: A longitudinal UK study on the relationship between fruit and vegetable consumption and well-being. *Social Science and Medicine*, 335-345 (ABS 4* rated).

Marr, E. and Howley, P. (2019) The accidental environmentalists: Factors affecting farmers' adoption of pro-environmental activities in England and Ontario. *Journal of Rural Studies*, 68, 100-111 (ABS 3* rated).

Howley, P. (2017) Less money or better health? Evaluating individuals' willingness to make trade-offs using life satisfaction data. *Journal of Economic Behaviour and Organisation*, 135-53-65 (ABS 3* rated, ABDC A* rated).

Howley, P., Dillon, E., Heanue, K. and Meredith, D. (2017) Worth the risk? The behavioural path to well-being. *Journal of Agricultural Economics* 68, 534-552 (ABS 3* rated, ABDC A rated).

Howley, P. (2016) The happy farmer: the effect of nonpecuniary benefits on behaviour. *American Journal of Agricultural Economics*, 97, 1072-1096 (ABS 3* rated, ABDC A* rated).

Howley, P., O Neill, S. and Atkinson, R. (2015) Who needs good neighbours? *Environment and Planning A*, 47, 939-956 (ABS 4* rated, ABDC A* rated).

Howley, P., Buckley, C., Donoghue, C. and Ryan, M. (2015) Explaining the economic 'irrationality' of farmers' land use behaviour: the role of productivist attitudes and non-pecuniary benefits. *Ecological Economics*, 109, 186-193 (ABS 3* rated, ABDC A rated).

Invited resubmissions

Howley, P. and Knight, S. (2020) Staying down with the Joneses: Neighbourhood differences in the well-being effects of unemployment, Work, Employment and Society (ABS 4*). Working paper available at:

https://papers.ssrn.com/sol3/papers.cfm?abstract_id=3184844.

Selected recent working papers under review

Howley, P. and Waqas, M. (2020) National Identity and Brexit. Available at:

https://papers.ssrn.com/sol3/papers.cfm?abstract_id=3464210

Howley, P. Ocean, N. and Waqas, M. (2020) Open minds, open borders: Immigration and the mental well-being of natives. Available at:

https://papers.ssrn.com/sol3/papers.cfm?abstract_id=3321720.

O Donoghue, C., Buckley, C. Chyzheuskaya, A., Green, S., Howley, P., Hynes, S., Ryan, M. and Upton, V. (2020) The Spatial Impact of Rural Economic Change on River Water Quality

Media

My research relating to the role of neighbouring, diet, air pollution and immigration has featured widely in the media, e.g. BBC radio, The Times, Guardian, CNN and The Conversation.

Recent blog posts in The Conversation:

Air pollution may be affecting how happy you are: <https://theconversation.com/air-pollution-may-be-affecting-how-happy-you-are-110470>: Jan 30th 2019 - 33,873 reads as of September 8th 2019

Eating more fruits and vegetables linked to better mental well-being – new research: <https://theconversation.com/eating-more-fruit-and-vegetables-linked-to-better-mental-well-being-new-study-111211>: Feb 7th 2019 – 103,228 reads as September 8th 2019.

How immigration can make some UK-born residents feel worse off even if they aren't: - new research: <https://theconversation.com/how-immigration-can-make-some-uk-born-residents-feel-worse-off-even-if-they-arent-new-research-122681>: September 6th 2019 – 11,003 reads as of September 15th 2019.

Current PhD Students

- Fari Aftab (co-supervisor with David Spencer and Julianne Scheffel): The economic and social integration of migrants in the UK.
- Rushi Chen (co-supervisor with Effie Kesidou): *Renewable energy and GDP growth in China*
- Sarah Knight (co-supervised with Colin McClean): *Environmental amenities and well-being*. Funded by the Economic and Social Research Council.
- Dave Roberts (co-supervisor with Christopher Forde and Rachel Mathieson): Well-being and workplace culture.
- Karine Rassool (co-supervised with Bryce Beukers-Stewart): *Social, economic and cultural value of the fisheries sector in the Seychelles*.

Completed

- Xiaowen Wang (co-supervisor with Murray Rudd): *Pharmaceuticals and Personal care Products in the Environment in China. Completed September 2016.*
- Eric Marr (sole supervisor): *Food Production or Biodiversity Protection? Funded by the Social Sciences and Humanities Research Council of Canada (SSHRC) Doctoral Fellowship. Completed April 2019*
- Jennifer Chapman (co-supervisor with Alistair Boxall): *Assessment of socio-economic and ecological impacts of veterinary drugs in the environment. Funded by the Society of Environmental Toxicology and Chemistry. Completed May 2019*

Submitted

- Juan C. Trujillo (sole supervisor): *Extreme weather events, health and well-being. Funded by the Economic Development, Institutions, and Public Policies for the Progress of the Colombian Caribbean.*

Chair of Thesis Advisory Panel

- Sian de Bell (supervised by Piran White and Hilary Graham): *Ecological Interventions for Health Outcomes - completed*
- Jan Justus (supervised by Charlotte Brown and Julia Touza): *The Economic Crises, the Environment and Europe – completed*
- Sarah Spooner (supervised by Andy Marshall and Louise Tracey): *Evaluating the effectiveness of education in Zoos - completed*

General supervision

Supervised 70 plus undergraduate and postgraduate dissertation projects (2012 –)

Current postdoctoral supervision

Muhammad Waqas: Immigration and well-being:

<http://www.nuffieldfoundation.org/immigration-and-well-being>

Neel Ocean: IKnow Food: <https://iknowfood.org/about-us/>

Referee

Editorial: Member of the editorial board for Land Use Policy

Grant reviewer for the following public bodies

- Economic and Social Research Council
- Biotechnology and Biological Sciences Research Council
- European Court of Auditors
- Department of Environment, Food and Rural Affairs
- Open Research Area
- Teagasc (Ireland)
- National Science Centre

Reviewer for the following journals:

Agricultural Finance Review, Agriculture and Human Values, American Journal of Agricultural Economics, Cities, Ecological Economics, Ecosystem Services, Environment and Planning A, Environmental Management, Eurochoices, European Journal of Health Economics, European Review of Agricultural Economics, European Journal of Health Economics, Habitat

International, Health and Place, International Journal of Agricultural Management, Irish Forestry, Irish Geography, Irish Journal of Agricultural and Food Research, Journal of Behavioural and Experimental Economics, Journal of Economic Behaviour and Organisation, Journal of Environmental Economics and Policy, Journal of Environment Economics and Management, Journal of Environmental Management, Journal of Environmental Planning and Management, Journal of International Farm Management, Journal of Rural Studies, Land Economics, Land Use Policy, Landscape and Urban Planning, Landscape Research, Leisure Studies, Resource and Energy Economics, Social Indicators Research, Social Science and Medicine, Transportation Research Part A: Policy and Practice, Urban Studies, Urban Studies Research.

External examiner:

BSc in Agricultural Economics, University of Edinburgh, 2020 – 2023.

BA Economics, National University of Ireland, Galway, 2020 – 2023.

Teaching

I have substantive experience developing and teaching a wide variety of modules at both undergraduate and postgraduate level including *Research Methods*, *Applied Economics*, *Environmental Economics* and *Environmental Valuation*.

Modules taught

- Applied Economics for the Environment, Year 2, undergraduate: 2012-18
- Economics of Resources and Environmental Policy, Year 2, undergraduate: 2012-18
- Economic Theory for Environmental Management, MSc, 2012-2016
- Environmental Valuation (2013-2014) Year 2 and MSc
- Environmental Policy and Valuation (2013-2014) Year 2
- Environmental Economics (2015) MSc
- Residential Field Course, Year 2, undergraduate: (2012-2013 and 2017-2018)
- Economics Research Methods, Year 2, undergraduate 2018-

Modules Contributed to

- Introduction to Environment, Economics and Ecology, Year 1, undergraduate: 2012-2018
- Tools and Techniques for the Environment, Year 1, undergraduate: 2013-2018
- Research Methods, MSc: 2015-2018
- Introduction to Human Geography, Year 1, undergraduate: 2015-2018
- Economic controversies, Year 2, undergraduate: 2018-

Academic Service

Chair of Departmental Ethics Committee (2014 – 2018)

University of York's Animal Welfare and Ethical Review Body (2016 – 2018)

Environment Department's Research Committee (2016 – 2018)

Employability Officer 2013-2014

Open day organiser 2012-2014

Selected Recent (last 4 years) Invited Seminars and Conference Presentations

Ecosystems markets for a green recovery (with Prof Mark Reed). November 2020. N8 Agri-Food: Food Systems Policy Hub. Available here: <https://policyhub.n8agrifood.ac.uk/launch-week/ecosystem-markets-for-a-green-recovery/>

The long term implications of Covid-19 for our psychological well-being. University of Leeds Webinar. Aug 17 2020. Available here: <https://www.youtube.com/watch?v=ibXuAMNE34>

Immigration and self-reported well-being in England. Presented at the Royal Economic Society Annual Conference, Warwick University, 15-17th April 2019

Open minds, open borders: Immigration and mental well-being. Understanding Society Annual Conference, Essex, 2-4 July 2019.

Geographic inequalities in the welfare effect of nitrogen dioxide exposure. Invited seminar to the London Authorities Noise Action Forum (LANAF) and Pollution Study Group (PSG). July 7th 2017.

Clean air and quality of life: Invited seminar at the Manchester Environmental Economics Workshop, 2017 on 'Social preferences and environmental and resource economics', 4th May 2017.

The multiple facets of farmer decision-making. Invited seminar to green STEMS: Precision Agriculture and the Environment. University of York, July, 2017.

The externality cost of neighbours at work: Invited seminar to the Centre of Historical Economics and Related Research at the University of York, 31st January, 2017.

The happy farmer: The effect of non-pecuniary benefits on behavior. Invited seminar to the Environmental and Resource Economics Research Group, University of Manchester, 17th November, 2016.

The happy farmer: The effect of non-pecuniary benefits on behavior. Presented at the Agricultural Economics Society Annual Conference, April 13-15, 2015, Warwick University.
